

March 13, 2020

Dear parents and legal guardians,

We have just received new developments regarding the recommendations of the Department of Education and the Department of Health.

The province has informed us that schools will be closed from March 23<sup>rd</sup> to April 10<sup>th</sup> inclusively.

We understand that this closure will cause challenges for our families, and we are sorry, but we have a social responsibility to curb the spread of this virus.

Thank you for your collaboration in this matter!

Respectfully,

Alain Laberge  
Superintendent
